## Why Lot 2?

For over 5 years Lot 2 has been considered one of Omaha's premier dining experiences, featuring a seasonal menu, great cocktails and an expansive wine list. We are located in the historic Benson neighborhood in Omaha, Nebraska. We have a passionate and professional staff that can provide a lot of different private dining options, from a hosted dinner to a private wine tasting led by our team of Certified Sommeliers. Regardless of what dining option you choose, you are sure to receive the finest food, service and ambiance.

## Accommodations

**Tasting Room:** Seats up to 30 people

**Dining Room:** Seats up to 55 people

Lot 2 is also available for private lunches.

## Wine Tastings

Lot 2 can offer private wine classes for your group and will work with you to come up with a topic for the group, whether it is Wine 101, blind tasting practices, or region specific classes. Whichever topic is chosen, one of our 3 Certified Sommeliers would be more than happy to assist.

## Audio Visual Equipment

The Event Coordinator can advise and accommodate any audio/visual needs for your group, from a TV, projector or Polycom speaker phone.

# Details

There are minimum food and beverage requirements of \$500 Monday-Thursday and \$750 Friday and Saturday. That minimum does not include tax and gratuity.

We ask that a final menu be decided no later than 1 week prior to the event and ask that you include any food allergies or special dietary restrictions.

**Cancellation Policy:** Lot 2 requires a verbal cancellation for all events. Failure to cancel prior to 1 week before the event will result in a lost deposit. Failure to cancel within 72 hours of the event will result in a fee equal to 50% of the food and beverage minimum. The fee is charged to the credit card that we have on file.
